Key question: Creation and Science - Conflicting or Complementary? Part 2

RE Topic: Christianity	**Year 6**	**Autumn1 2024**

Key deity/Figure

God the father created the world in six days and rested on the seventh. **Day 1** – light and day **Day 2** – sky **Day 3** – land, sea and the plants **Day 4** - sun, moon, and the stars **Day 5** - God created every living creature **Day 6** – Adam and Eve **Day 7** – Rested on this day

Way of Life – different interpretations

Our key question shows an understanding of why some Christians find science and faith go together. We will questions together, how far the Genesis 1 creation narrative is in conflict, or is complementary with a scientific account. How do different Christian denominations interpret the story? What about the view of a Humanist?

Holy Book

The first book of the Bible is called **Genesis 1**, which is in the **Old Testament.** God created man – **Adam** and **Eve** – woman. This is the first part of the 'big story' of the Bible. We will focus on different translations of the story in the form of poems, images and modern versions.

Place of Worship

There are many examples of the creation story shared in stained glass windows and through the hymns sung in churches. We will examine creation images from across the world. How do Christians interpret the story of creation today through art?
